It hurts to know she's gone from our presence, but a joy to know she suffers no more. That lady was the most caring and loving soul. She gave & went hard for any & everyone. She'll be missed. Her memories will forever bring me joy. Rest peacefully G-Ma. Enjoy all who have gone on before us🙏🙏❤️

To the Hubbard-Freeman families I wish to extend my heart felt condolences. Alvetta and I have been life long friends even from a distance from childhood and as we grew into adulthood. But one link connected us up until three weeks ago and that link was prayer. As I prayed with Vet, I will now continue to pray for her family. I ask that you allow the sweet memories within your family to be that which you hold dear. You will continue on for that is God's plan. Blessings to each of you in the name of Jesus, our trusted Lord and Savior.
