“ Man oh, man... I am going to miss you dearly “Unc”. Thank you for being the consistent man figure in my life and showing me how a real “man” is suppose to take care of his wife. I always admired you and Auntie Twin’s strong beautiful bond. Thank you for being such a great help with the boys (Joshua and Mi’cah- as called them jida-bug). I can still hear your voice saying “baby girl”. It touch me to my heart that you would introduce me as your “daughter / niece”... because I looked at you as my father. I am going to miss our talks about life and getting your opinions on politics. I learned a lot from you, along with my husband and kids. You could hold a conversation with anyone, from the pulpit to a person hustling on the corner...no one was ever a stranger. When I hear a “Kool and the Gang” song, I will always think of you ... I know that was your favorite band. Again, I love you and I will take good care of Auntie....I promise. Heaven just gained a “cool cat”. You are with our Heavenly Father now, may you Rest In Peace. Amen! Love... Shay

He accepted and respect the whole me. A gentle soul with a strong serious look. A musician and Vet. I'm going to miss you dearly uncle. Sorry I can't be there. Sorry I moved sho far away.
