In loving memory of Margaret Veira
APRIL 11, 1958 - JANUARY 18, 2026
Margaret Veira, 67, of Atlanta, Georgia, passed away on January 18, 2026, surrounded by
family. Margaret, who was fondly called “Cecile” by her loved ones, was instrumental in
shaping the lives of her family members and her community as a matriarch, and a
schoolteacher. She was known for her kind and gentle nature, and gave quietly, steadily, and
without condition. Her impact will live on through the lives she shaped. She will be fondly
remembered.
From her early days, Margaret was always full of hope for her friends, family, and community.
She had a special gift for teaching. Little did we know how well her light would shine. Her calm
presence and generous heart touched everyone she met.
Margaret was born on April 11, 1958, in Stubbs Village, St. Vincent and the Grenadines, where
she completed her early education. Margaret especially appreciated the years she spent at

Carapan Government School where she earned a school leaving certification. Later, she
attended the Stubbs Teachers' Training Center.
In 1977, Margaret, her parents, and siblings moved to St. Croix, USVI. During her time on St.
Croix, she attended The University of the Virgin Islands, where she obtained a bachelor's degree
in education. She served as a schoolteacher at St. Mary's Catholic School, St. Dunstan's
Episcopal School, and Lew Muckle Elementary School. She touched many children's lives.
Margaret was a stern but loving schoolteacher.
Her children, Alicia, Omani, and Kyle, and her grandchildren were her greatest joy. Known for
her unconditional love, she was the heartbeat of her family, teaching them the meaning of
kindness and resilience through her gentle example.
In 2003, Margaret moved to Atlanta, Georgia to reside close to her brother and sisters living in
Georgia. Margaret served as a schoolteacher at Fairington Elementary School, DeKalb County
School System. She was loved by all, a caring person. She spent countless hours planning and
preparing lesson plans for her students.
In 2021, Margaret decided to retire from a teaching career which spanned over 40 years. She
shared a love for cooking and would make big meals for family and friends. She welcomed
everyone to her home. It was a warm and welcoming place. Margaret spent most of her retired
years with her daughter Alicia, her sons Omani and Kyle, her grandchildren
