*Hello Everyone,*

*I am Sallie V. Dawson and I worked in the Stewardship room with Nancy at Greenforest Community Baptist Church on second Sundays. She was kind and a big Serena and Venice Williams fan. She loved tennis and would engage in conversations often about the tennis pros. The last time I seen her was the 2nd Sunday in March before the pandemic. I would go to the bank with her sometimes and we would talk about our families and politics and even the church service if we could hear it that morning. I will truly miss her at church on Sundays.*
