“ Sharing your sadness as you remember your love one. May your memories console you and may God sustain you, with his precious promise to someday soon reunite us with our love ones. Thinking of you all.

“ Colinda will never, ever be forgotten. I will always remember her kind spirit, her sense of humor, her sassiness and how she always kept it real. Fly high Colinda and rest in power with the ancestors. I send my deepest condolences to her family.

“ They'll never be another Linda Loo! she would keep us laughing at work with her sassy sense of humor...and every time something strange happened she would say mmmawwhummmmm everybody started saying it but nobody could do it like her. She liked to tease me about how I said baby and always said huh bruh because I'm from NO hers would always come out like huh "bra" lol.. When I think of Colenda I think of a smart, wonderful, beautiful, strong, free spirit.

They'll never be another Linda Loo but she left us with great moments to remember and smiles in our hearts. Not everybody can do that.

I'm praying for the family to be blessed with the courage and peace that God grants.
