“ My Dear Grandma was amazing! I have very fond memories of our happy times together. Everybody use to say Grandma & my Daddy Willie Wright looked like twins. Grandma lovingly called me "Mika" (instead of Michael), but I never corrected her because I knew who she was talking to. Grandma had an infectious laugh and she would say, "Ahh...Sky, sky, sky - you done run out!" Another fond memory of her was her good cooking. Grandma could take one good steak and feed about 10 people. You couldn't tell Grandma nothing...especially if she had a coke, bannana, a piece of bread and her CC snuff. Grandma even shared her swirly coke with us. As kids growing up after we realized what was in the swirly coke ...we were deterred from drinking her coke ever again. Grandma also loved peanut butter crackers & chewing gum. I remember when Grandma cared for me when I had the mumps by putting sardine juice all over my face and a piece of torn white sheet tied around my head & face. Grandma said, "The juice for you and the sardines for me!" In the winter time we were guaranteed 3 things: extreme heat, beans & cornbread. Grandma believed in discipline and raised us right! We were living our best lives! Grandma was the best ever!!! We are truly blessed to keep her legacy alive!!!

“ My Fondest Memories of You Mother is how you treat others, how you love and took care of every one, your Christian life you shared with your children and grandchildren, oh how you loved us all, you played a part in all our lives, teaching us how to love others more than ourselves, you took care of all of your family members, made a life for us all, I thank God for you Mama. I miss you more than you would ever know, so now that you are resting in God's care there is no doubt you loved us down here, and more that you're there.
REST IN PEACE MOTHER " ONE DAY I'LL MEET YOU THERE! LOVE YOUR DAUGHTER ANN!

“ My loving Auntie Dorothy, I really enjoyed all times we spent together such as birthday parties or just me coming by your place to chat one on one. Our conversation was never dull. I love your presence because your words was always positive and cheerful. In our conversation you always would mention the lord names and how you love him soo much. and you could not wait to see him one day. This is the day the lord has made I sure you are hearing the trumpets sounding as you entered the gates of heaven

You will be truly missed, love you always

“ I'm not much on words, but three words come to mind when speaking of Grandma Dorothy. Those words are sweet, kind and loving. RIP
