

## John Moses Griffin Jr.

November 19, 1940 - June 6, 2021

John M. Griffin, Jr. died unexpectedly on June 6, 2021, in Forsyth, Georgia. He was born on November 19, 1940 in Newburgh, New York. The son of John M. Griffin, Sr. and Grace King (Anderson).

John spent most of his life driving. At first it was with MGM Studios, which he loved to tell stories of. He loved to go on about the people he met, the things he had seen and done. After that, He became an over-the-road truck driver and immediately fell in love with exploring the country. The only thing he loved more than being out there on the open road, was his family. While driving all over the United States, he made a point to stop and spend time with everyone he ever knew. . . family, friends, and acquaintances alike. He spent his lifetime showing each and every person in his life, that no matter where he was, he loved them and would always be there whenever you needed him.

In addition to his parents, John M. Griffin, Sr. and Grace King, he was pre-deceased by his two brothers, William Griffin and Jerome Griffin.

He is survived by his wife of 35 years, Kathy Griffin (Howard), his sisters Joy Holladay (Griffin) (Nevada) and Brenda Griffin (Rochester, NY), his son Douglas M. Griffin (Schenectady, NY) and siblings Richard Clark (California), and Alisha A. Clark (Suwanee, GA).

Also surviving by previous marriages are his children, Craig Griffin (Maryland), John M. Griffin, III (California), Tate Griffin (Arizona), Grace Griffin (California), and Victoria Griffin (California), many Grandchildren, and a Great Grandchild.

He is also survived by many nieces, nephews, and cousins.

“ John and I shared a passion for trucking; he was always trying to get me to transition from hotshot trucking to the big rigs. Also, John was a devoted friend and neighbor. We worked together on a lot of business adventures. But, no matter what he was always compassionate, caring, and a God-loving person. He would do anything for you if he saw a need, without hesitation. He'll truly be missed.

“ My dad was one of the greatest men I've ever known. He shaped and molded me into the person I am today. He taught me the importance of integrity and unconditional love. I miss him every day.

“ John and I met at a trucking company. He was so sweet and educated. He was always quick to offer advice or pointers to make the job easier. When he started Heritage Transport Inc, he hired me as his dispatcher. He was like a father to me. JG, as we called him, became part of our family. He called weekly to check on us. That was the type of loving father he was. God knows he is sorely missed. RIP JG!!!
