“ I met Kaaren in 1996 when we both sang Bass in The Georgia Connection, a Harmony Incorporated women's barbershop chorus in Lilburn, Ga. She was a Charter member of the chorus and went to International Contest in Canada and other locations to compete against the other Area chorus winners. Kaaren also was a very good friend to me, and I will always be grateful. She will be missed. Condolences to her family.

“ Deepest condolences to the family. I worked with Kaaren at Emory Hospital or many of those 29 years. She was wise beyond her years and always had a word of encouragement. Ellie Hamilton

“ I moved into Clairmont Place in October of 2018, and on the 5th floor with Kaaren. She was so kind and welcoming. I enjoyed many talks with her in my condo as well as a partner on bus trips. The people who lived in my condo before me took the AJC and it took a year for it to stop, so I was able to give that copy to Karren. Prayers to her family.

“ Kaaren was our next door neighbor. I will miss her sly smile and the twinkle in her eye, as she recounted the many stories that made up her life. May she rest in peace.

“ Kaaren was a neighbor here at Clairmont Place who moved here about the same time that we did. She was a gentle, quiet gal who loved plants and cats, and who participated in life here in many ways. She sang with our Clairmont Place singers, volunteered on our landscaping committee, did needlepoint (especially of cats) and so much more. Her presence here at Clairmont Place will be dearly missed. We are so sorry that she is now gone, and send our heartfelt condolences to her family.

“ I will miss Kaaren. I always loved talking to her. I remember we went to a jazz concert together and several times I took her to the doctor and always enjoyed our conversations. She was a star in our trivia group--she always knew the answers! I wish we could have had a chance to visit before she left Clairmont Place.
Blessings on all the family,

“ Kaaren was one of the most unique persons I have ever met ; Once in a while we ended up eating at the same table for dinner.She was always a delight to share a meal and she kept the conversation going as she always let you know exactly what she thought about any family issue.We only got to go to one movie together and I wish it could have been more. I will certainly miss her Love to your family. What a wonderful mother you had!

“ Kaaren's smile soothed and welcomed, and her concern for others was obvious. She was so smart and wise. May God bless her family.
