

## Reyna Tracina Lumpkin

August 18, 1978 - April 30, 2019

Reyna was born on August 18, 1978 in Harrisburg, PA. She has one younger brother, Stephon and one younger sister, Stephanie, better known as the twins. Reyna moved to Atlanta while still very young and later attended and graduated from Clarkston High School.

At Clarkston, she excelled academically and was a major competitor while participating on the varsity track and field team. She performed in the school chorus as well as the high school marching band. After graduation, she was blessed to attend Georgia Southern University.

After college, Reyna worked in the retail industry but later found her niche in customer service. Reyna worked for Delta Dental Insurance as a customer service representative and was given numerous accolades on the service she provided to her customers.

Reyna loved to cook (not like some of us), shopping (which some of us love to do) and watching TV. She was always watching a movie on the internet and posting on Facebook about which movie she was watching.

Reyna had a kind and giving spirit and as a result of her generous and pleasant personality, she was loved by many and will be truly and greatly missed by all.

Reyna is survived by her loving family and a host of friends and relatives.
