“ Terrance, I just wasn't ready for this! My heart hurts, love! I'm going to miss our FaceTime calls, text messages and visits together. You're such a believer and God fearing, so I know you're just fine and resting peacefully. Don't show out on the drums too much!

To the Campbell family, I'm sending all hugs and prayers to you. He was such a family man, and I know how he felt about each of you. Stay strong!

“ Terrance was the most humble, caring, and funny person. His smile would light up the room. He took his time to help my brother become a better drummer, and my brother admired and looked up to Terrance. He was also very patient and kind to my brother. He helped cultivate the youth at Peeks Chapel, especially the boys. He will definitely be sorely missed. We all knew he was one of the baddest drummers ever to live!! RIH Terrance!

When I heard off Mr. Campbell's passing my heart ached so bad that I felt it. To drive up that Monday morning and not see him was worse. His smile made my day. He was a friendly and humble young man. Then I found out I knew his family two days later, then I knew why. He is truly missed.
