“ To my Brother Ollie and family

Proverbs 31 verses 9 and 31

Who can find a virtuous woman for her price is far above rubies.
Give her of the fruit of her hands and let her own works praise her in the gates.

Surely this is a testimony of how the Lord has blessed Sister Viola throughout her life.

God bless you. We love you!

Peace from Joe and Dianne Williams

“ Mom, Mrs. Williams, You were always very kind to me. Whenever there was a family gathering we would always sit and have our own conversations . I remember coming to your house late one night it was about 9:30 pm and I was hungry and you got right up from the couch and went to the kitchen and fried chicken from scratch. I sat at the counter and watched you fry the chicken and we talked and laughed. Thank you for embracing me as one of your bonus daughters. I will miss see you, I will miss sitting with you and talking to you. Rest In Peace.

“ I will always be grateful for ALL THE TIMES Aunt Vi allowed me to spend weekends, summers and in between time at Latham Lane and in Uniondale. I was always included, never left out (even when Sheila and I got into trouble). I always had a home away from home. Thank you, Aunt Vi, for all of the love and acceptance. Rest in Paradise. You definitely deserve it.

“ Uncle Lee and Family,

Sending you love and prayers from Seattle, and wishing I could be there in person to be with you on today. The service was beautiful this morning, and just a testament of the loving spirit and impact that Aunt Vi had on everyone she encountered. Aunt Vi was my grandfather's sister, and she was the "Connector" to ensure I that knew all of my Harrison family. I will always be grateful for her making my father (Little Charles) and I feel so special and part of her heart! Greg, Shawna and Shelia, you are in my thoughts and Thank You for sharing your Mommy. May God Continue To Bless You!

“ Mrs Vi was very special to me. She was my first real client but more like family after 13 years of being her hairdresser. I had recently finished cosmetology school when she began getting her hair done with me. She had the most beautiful gray hair. I had the pleasure of seeing her every other week. She was always on time with her coffee and a smile. She supported everything my kids and I were involved in. She was sweet, patient, kind, funny, loving, and thoughtful. She loved her family and talked about you all on every visit. She also loved and often spoke of her NY church family. I'm going to miss her especially turning her around to the mirror to see her hair. She would always say "I dont have to see it, I know it's pretty" with a beautiful smile. Williams Family I pray for your comfort and strength. Your angel is always with you!

“ To my Williams family. Aunt Viola was my only biological aunt, she was my mother's baby sister. I will forever remember her laughter, her good deeds, her patience and her kindness towards others. I will miss her dearly but she never will be forgotten. Rest peaceful with our Lord as He holds you safely in His arms for your work is now over. When tears stop falling and our hearts stop aching, only then will we realize God has done nothing wrong for He has only called a laborer to her heavenly reward. With much love always,

“ To the Williams family:

I send my deepest condolences to you all. I want to share one of fondest memories of Auntie Vi as I affectionately called her. I just had just given birth to Dominique and aunt Vi had come by the house, She had some shopping bags with her, she said I'm not gonna stay - I have to run but I wanted to leave this for Dominique. I said okay and thank you so much, see you soon. I brought the bags in and when I started pulling out sets of clothing I couldn't believe it! It was a lot of outfits. I said wow she brought out the whole rack! Beautiful bright and colorful dresses onesies, Rompers. I called Anthony and told him hey your aunt came by and she had to buy out the whole rack of clothing for Dominique! I was so grateful. I had to call her again to thank her. I was so touched by her kindness. You can tell she took her time with every outfit she picked out because they were coordinated . She was beautiful person and always delightful to talk to. I will always remember her for that generous act of kindness towards my daughter and I. May her beautiful soul dance proudly with the Lord.

With love,

“ To Uncle Lee, Gregory, Shawna, and LeSheila,

We are so sorry that we are not physically there to support and be there for you. Our hearts are broken and sad because we are unable to say our final goodbyes to our dear sweet aunt and sister, Viola Harrison Williams, due to Covid-19.

Aunt Vi (fondly called “Sister” by her siblings, George, Robert Lee, Charles, Clyde, Dollie Mae, and Ronald) has been the glue that kept the Harrison clan together. I can remember her regular weekly phone calls to us when she worked for the telephone company in New York. Back in those days long distance phone calls were rare and expensive but Aunt Vi always took the time to reach out to her siblings outside of New York.

Aunt Vi loved her family and was known for planning and organizing the annual Thanksgiving and Christmas holiday dinners. We would travel to New York from Virginia to spend the holidays with our New York family. We had the best times prepping food, dressing the dinner tables, eating, and visiting with family! During the summer of my high school senior year, I spent several memorable weeks with my beloved family in New York. Aunt Vi ensured that I had a great time and took me shopping for fashionable school clothes. To this day I remember the platform shoes I

wore on the first day back to school.

Aunt Vi was special, always calm, cool, her voice was so soothing and boy did she have a distinct laugh that was heartfelt. Aunt Vi was patient, sweet, and will always be remembered and loved. She will not be forgotten. We could not ask for a better aunt or sister who loved life everyday. We will call out Aunt Vi's name so that she will live on!

We love you all and are lost during this time of sorrow. Be strong and know that although we are not there, we will be there in spirit and watching the streaming service. Thank God for advanced technology.

Peace and love.

“ Someone as special as “Ma” will never be forgotten. She will remain in my heart forever. She treated me with so much respect and kindness. She made me feel like I was her daughter. I never felt like I wasn't part of the family. At some point, Shawna and I were inseparable so when Shawna got spoken to... so did I. I can go on about how wonderful and welcoming she truly was. She is at peace now. May her loving memories ease your loss and bring you comfort. My deepest Sympathy.... Daphne Franklin

“ ...there are far too many memories to put into one little paragraph. I thought about your laugh the other day. It made me laugh out loud. Thank you for teaching me how to wash dishes. I remember all the times that Shawna and I would get in trouble for laughing too much. LOL. I will always love you Aunt Vi.

“ To The Family....
 Although only one house separated our N.Y. families, there was always an open door and never a closed door between us whenever called upon for any circumstance. Rest assured, fond memories of our beloved “Ms. Williams” will forever linger in our minds and hearts. We will envision her blessed, royal welcome into heaven among the many, many angels whom she so gracefully & lovingly touched during their time spent together here on earth. May our “sweet angel” now rejoice in this journey as she commences her well deserved eternal love and peace in God’s Holy Kingdom.

“ On behalf of my wife, Katrina, our daughter, Phaedra, and the entire South Hempstead Baptist Church, I extend our condolences to Bro. Ollie Williams, children and grandchildren at the passing of their loved one, a wonderful woman of God, Sis. Viola Williams.

We will always remember her. She was our dedicated and loving Sunday School Superintendent for years! Although quiet in her demeanor, everything she did expressed her love for God, her husband, family, and Church. Thank you for sharing Sis. Viola with us. Her contribution to our Church and the Kingdom of God on earth is undeniable.

Williams Family, keep the faith. That's exactly what your wife, mother, and grandmother expects of you. And may the Lord continue to watch over you... now and forever!
