“ I always loved my Aunt Aaron. She was my mom’s sister and we lived close enough to grow up with our cousins Craig, Erin and Leah. I loved her yellow squash with back n and onions and whenever I cook that I think of her immediately. She had a beautiful smile and heart. RIH AUNT AARON~🌸

“ *Aaron was and always will be a great and fun-loving aunt to all of my siblings and I. Her laughter and enthusiasm for life was truly infectious and such a joy to be around.*

None of us will ever forget the wonderful family events and card parties our parents and all of us shared during our childhood.

I know she has joined all of our parents who passed away before her now in heaven and they are probably playing a great game of bid wis together right now.

You were one of the best and you will be very sadly missed. Please let everyone know that we love and miss them.

*Rest in peace and much love aunty...
