“ Words cannot express the pain of life lost. It was not our Creator's purpose but He promises to do away with sickness, death and the pain. Louis and I send our love and prayers. May you and the family find comfort through the love from family and friends and through the scriptures.

“Adora,

*During your journey on your final flight home.
White wings will carry you and you will be flown.
To the pearly gates of Heaven, where they will usher you in.
To the feet of your Lord, your Saviour, and your friend.
He will hold you in his arms and the angels will sing.
As another one of His children is delivered by white wings.*

Missed but will NEVER BE FORGOTTEN!

“ I Am Beyond Broken From this, I Can't Even Find The Words To Express How I Really Feel Because It Just Seems So Unreal I Would Have Never Thought To Get A Phone Call About You 😞. Adora, My Friend, My Sister I Love You Distance Was The Only Thing That Kept Us Apart And Even Tho We Grown Apart And Had Our Separate Lives We Still Somehow Find Time To Say Something To Each Other And Told Each Other That We Loved One Another. Your Last Words To Me Were To Be Safe And That You Loved Me.. Sis I Will Always And Forever Love You ❤️ We Have Tons Of Memories Together Some Good, Bad And The Ugly 😭 I Will Cherish Every Moment Of Them... This Picture Here Speaks Words Lol We Were Inseparably Lol Everybody Knew Me As Being Adora's Sister, I'll Live By That Forever💕.. For Your Babies, They May Not Know Me But I Promise To Help Out Anyway I Can, They Won't Have To Want For Anything. I'll Always Have Your Back Just Like You Had Mine. ❤️ Rest Peaceful My Sister Until We Meet Again ❤️ 🙏 Give Papa A KISS For Me💋

“ Adora,
My heart is broken. You mean so much more to me than words. Distance is the ONLY factor that has separated us. The love was there, is there, and will forever be there. I love you beyond words can measure. My love take your rest now, watch over all of us.

“ Dorie, this entire week has been surreal. To be mourning you so young feels like a bad dream. Your big cousin loved you and will love you forever. I promise to take care of Phil, J, Ni, Christian, and Bam. My faith tells me that to be absent from the body is to be present with the Lord. Sleep well baby. Til we meet again. ❤️

*I remember when I first met you in grammer school. You helped me with school when I didn't understand it. We lost contact with each other. Then a year or so later when Maritime opened up I saw you standing outside waiting to go in and you saw me and we started talking again, found out we were in the same class together and again we helped each other out. You are an amazing young lady. When my sister told me what happened I was no she's not. I had to look for myself. I'm still lost for words Angel. My heart is still broken 💔. I can't believe you were taken from us so young but I guess the Lord had other plans. You have an amazing family and friends who love you dearly. Your children will always remember who are and the kind of women you were. Prayers for you all. Sending my thoughts, prayers, and love Angel.

*Adora,
My daughter from another mother. I loved you the first moment you were born and I was blessed to have spent time with you. I will always remember and keep close to my heart your wonderful smile.
Every night as I look up into the sky, I will know that you are the brightest star shining. I will wave and say hello, because I know that it will be your spirit saying hello to me.
I Love You,
Sonja*
