“ *Lucille and Family,  
We are asking GOD to bless, comfort and keep you, especially while we are experiencing a pandemic. Nothing compares to a long, warm hug from someone who really cares. We ant to be WITH you. In the days to come, may the LORD be your strength and joy. As He promised, memories of wonderful moments with Adria will sustain you and eventually fill the hole in your hearts. Surely you will miss her presence, but try to imagine how happy she is with her heavenly family--resting and singing with the angels. Let God's peace abide in your mind, body and soul as you celebrate Adria's journey.  
Love and continued prayers for you,
