“ Adrien attended our 10-year class Reunion in 1992. The next time we communicated was by phone, 20 years later, regarding the 2012 30-year Reunion, but he didn't make it. The next time I saw him was in 2018 on an elevator in a building on Tift Campus in Forsyth, GA! What a pleasant surprise! We hugged, took a selfie, and exchanged numbers. I still have his number in my phone. I'm so sad to learn that I will never see him again.

I offer my condolences to Karen, and the rest of his family and friends.

To the family of Adrien Clark Bowens. Please accept my deepest condolences on your loss. Adrien (went by Andres Santiago) was a skater friend of mine and was just an all around nice guy; very respectful, professional and polite. He loved good conversation, talking to and meeting people, taking pictures and skating. I am so glad to have met such a wonderful person. He will surely be missed by all he came to know and those that came to know him. I wish you all peace love and comfort during this time.
