“ *He will always be "Big M" to me. I had the privilege of playing high school football for Big M. It was a time of racial turmoil and two special coaches and a "band of brothers", black and white, performed a miracle and won the first state championship, in any sport, at Abbeville, SC. Big M touched many, many lives during his time as a teacher and coach. I know he touched mine... he was a coach, a friend and a hero. RIP, my friend*

AB , wow !!! You left me. I served under him with CSX Railroad. He certified me for Engineer and was instrumental in helping me how to navigate Railroad 🏔️ lingo. Always fair and honest to the none. I always shared the experience with my family because when he taught you something it stayed with you forever. I'll always be grateful to him for his wisdom and candor. Rest easy my friend you deserve it.

*“ AB was a big influence in my life. For about 15 years after his retirement from the FRA he and I traveled the United States doing Rail Safety Training. His personality, humor and professionalism made our work a pleasure and well received wherever we went. He will be missed by everyone who knew him. We spent many hours driving and talking and one thing was very clear, he loved his family and was very proud of all of his family and all they had accomplished in life. I know in my heart he is in a better place.
