“ Grandma,
I cannot believe you're gone. I am up all night thinking about you. I am missing you terribly.... It doesn't seem real, but I know its my new reality. I love you so much, and I will cherish every moment that we shared. Our talks, disagreements, prayers, phone calls, dinners, etc.....everything about you!!!! I will make God and you proud....forever your girl ;)

“ Dear, Hanson Family,

You have our deepest sympathy on the passing of your mom. Melvin and I know how important she was in your life and your care and support through out the years must have brought her great comfort. Our relationship was quite special and while this makes the loss so very painful, We do believe that your closeness and warm memories will bring you comfort. Know that we are thinking of you and your mom. She is a high ranking soldier for Christ.
