“ I have so many amazing memories of Albert Cornish Jr. He taught me the importance of loving yourself, keeping a positive attitude, and to not be judgemental of others. I will miss all the wonderful meals he would prepare for us and the long talks we shared over the last 15 years. So many things I will miss but I think his laughter is what I will miss the most. He was such a great friend and it breaks my heart to see him go. I know he will continue now more than ever to be a guardian angel in my life. I will love him and cherish our time together forever. “ I feel like part of my heart has been torn from my chest. The world has lost a great human being. Albert Cornish Jr was not only my friend but he was a spiritual blessing to everyone he came in contact with. He always made me laugh and forever guiding me down a positive path when my outlook was dark. I will miss your smile, your kind words and your 4-hour haircuts. I love you Albert and I know that heaven is now blessed with your love and kindness. Till we meet again my friend. 😭
