“ Dear Family and Friends of Albert Masabo Musafi,

*It is with profound sadness that I learned of the sudden passing of our dear friend, Chapman. The news has left me heartbroken, and words feel inadequate to express the deep sorrow that comes with this loss.*

*Chapman was full of life, a light in every room he entered, and a true friend to so many of us. I will always cherish the wonderful memories we shared together in Queens, New York—the laughter, the camaraderie, and the joy he brought to every gathering. His infectious energy and warmth made every moment unforgettable, and his kindness touched all who had the privilege of knowing him.*

*It is hard to accept that he is no longer with us, but I take comfort in knowing that his spirit will live on in the hearts of those he loved and who loved him in return. My deepest sympathies go out to his family and friends during this incredibly difficult time. May you find strength in the love and support of those around you, and may his soul rest in eternal peace.*

*With heartfelt condolences,  
Dorothy Barongo*

“ Dear Chapman

*It broke our hearts to lose you, dear,  
But you did not go alone.  
A part of us went with you,  
The day God called you home.*

*If tears could build a stairway high,  
And heartache pave a lane,  
We'd walk the path to heaven's gate,  
And bring you back again.*

*In life, we loved you dearly,  
In death, we love you still.  
Your place within our hearts remains,  
A void no one can fill.*

*May angels guide you softly home,  
And light your peaceful rest,  
Until we meet and hold you close,  
In heaven's arms so blessed.*
