Jessica and Matt, I am so sorry for the loss of your father our Uncle Albert. He was such a kind man, amd we loved him dearly, and I loved how he was there as the big brother to my mother. We are sadden here in California, and I wish I could have been there, but my mom and sister are there with you. May you find strength today and the days ahead. God's got him now and I know he's happy to be back with your mother. Our heart felt condolences go out to the rest of the family as well who has suffered this great loss. We love you and you will be in our prayers. Love❤️ your 1st cousins of California .
