“ Loving you was easy, but missing you is the hardest part. As a kid you made the holidays warm and special which made my heart filled with joy. Over the years until the end you never gave up you fought to be here for the family, I'm glad we got to be closer. It pains me to know that I couldn't do more and watching "I Love Lucy" won't be the same without, but I know you're not suffering anymore you're spirit will carry on so I'll do the same. Big hug and kiss grandpa! Bless you rest easy mama ❤️🙏🙏

“ It was truly an honor to know and love this wonderful woman. She took me into her family like one of her own daughters. For over 30 years, I was privileged to share so many memories with this wonderful family - from holiday dinners and barbecues to shopping outings to traveling and many other adventures! Mrs Social would call periodically just to check on me and chat. I know that she will never leave her family and will continue to watch over them from above. Rest in blessed peace! You were a woman of faith, love and an inspiration to all. Love forever - MaryEllen

“ Some of my favorite memories of her are connected to family time, because she had a way of making everyone feel welcome, comfortable, and loved. She also loved traveling and experiencing life, which showed me the importance of enjoying moments and making memories with the people you care about. I'm proud to be her great grandchild, and her love, values, and spirit will always stay with me and our family. I love and miss you more than ever

“ This is a hard one. I love you so much and cant believe your not here. My grandmother is gone! The sweetest lady i know. She was the kindest woman you could ever meet. Never cursed or had a bad thing to say to or about anyone. Her table was never empty she would help anyone she could. I wish we had more time. But I know you are at peace now. No pain no suffering. Take your rest mama. I love you❤️

I definitely agree with you Sharise. 🙌 I never heard her speak a bad word on anyone. I met Albertha when I was still in high school I believe. I remember when Big Al brought her home to Aunt Ella my Godmother's. My mom would always send me to spend the Summer at Aunt Ella's. Word was it kept me from beating up my sister's. LOL 😂
👊 Albertha and I hit it off right away. Albertha soon became Big Al's lifelong partner and mom to Gabby Al Jr and Tony. We shared many family trips together with Aunt Ella and Holidays too. Albertha would listen to me when I had a problem to solve. Yeahhh just you said Sharise she would listen and say idk 🙄♀ you'll have to figure it out for yourself. She taught me responsibility! I'm been blessed you have her in my life. Though we say good bye for this time. I love you Albertha and the family you and Big Al created. Rest in Peace.. ❤️
