“ *Pat and I went to dinner June 2018 in Greenville, SC. That was the last time that we saw each other...*

*Thanks Pat for being such a close confidant for my family! Every time I lie on my 'silk Pillow covers" that you so lovingly made for me and my two girls, I will think about you!*

“ *My dear mentor and teacher...Pat you meant so much to me. You took me under your arms as I was an 8th grader at Columbia High School. You taught me how to make an apron, a skirt (with a waistband) and bake homemade biscuits. During this time you were pregnant with Paxton. Later, you wrote my letter of recommendations to college AND most of all the letter for me to become your sister of Alpha Kappa Alpha Incorporated. Who would know that years later, I would be a teacher with both of your sons Eddie and Paxton. It was an honor and blessing to have you in my life, thanks my queen. Enjoy life Ivy Beyond the Wall.*

When I think of Mrs. Baety I think of the wonderful memories of Columbia High school and the bright light that she was to the students. I learned so much from her. She would be so happy to know how much I love cooking, baking and just taking care of the home and family. Oh such sweet days gone by.....
