“ To the family of my dear childhood friend and classmate, Alex. May the Lord give you strength and bless you during this most difficult time.

Please know that I am thinking of you, Virginia, and your loved ones and I am asking God to surround you with His Perfect Peace and Love.

We remember people for different reasons - a great laugh, a unique perspective, a story shared. I thank my Heavenly Father for allowing me to have met Alex at West Shreveport Elementary School, and fun times shared at J. S. Clark Jr. High School and memorable high school days at Booker T. Washington. It is also a blessing to have had the opportunity to share reunion celebrations with Alex and his family whereby our class was blessed not only with his presence, but more importantly with his support. Although Alex was miles away from us over the years, his time with us when we gathered in Shreveport was that of caring and support, always pitching in to help the committee even before been asked. I'll miss those phone calls and texts just to say hello or happy holiday!

Alex's friendship has been one of caring and support and I will always treasure the times we shared and the words of encouragement he always gave to me, especially when I needed it through difficult times. Please also know that Alex was one of the kindest, caring and supportive classmates of the BTW Class of 1976, but most importantly he was truly a friend and we send our prayers to each of you.

I will truly miss my friend and classmate, Alex, and he will always have a special place in my heart.

*Much Love,
Rebecca S. Taylor
