*Chillax Dad, remember!*

*"Resurrection power is like no other power on earth. It is unique, and has no possible rival. It is a power that operates in the midst of death and despair. It operates when the entire world seems, bleak, dead, and barren. It explodes into life and light in the midst of an empty, dark cemetery--for that is where it was first demonstrated. When Jesus Christ was resurrected, He came out from among the dead. So if you learn to live by resurrection power, you can experience life, hope, and vitality when everything and everyone around you is dead, hopeless, and lifeless.*

*Resurrection power is a "stealth" power--silent and invisible. It makes no sound, it operates below the radar scope of this world. Other forms of power are noisy and obvious--they pound, pulsate, throb, hum, roar, buzz, or explode. But resurrection power is silent. It accomplishes its purpose without ostentation, flash, pizzazz, or neon lights. Christians who live by resurrection power don't use it to dazzle others or advertise its affects. That's why the distinguishing marks of Christian character are humility and servant-hood rather than showiness. Genuine Christians demonstrate the reality of resurrection power through the quiet evidence of their lives: love, joy, peace, endurance under hardships, kindness, goodness, faithfulness, gentleness, and self-control.*

*Resurrection power is irresistible. It cannot be thwarted or turned aside. It takes absolutely no account of any obstacles thrown in its path, except to use them for further opportunities to advance its cause. Resurrection power needs no props or support. It does not borrow from any other source, though it uses other forms of power*

*as its instrument. It does not even require a cup of coffee to get started in the morning! There is absolutely nothing else like it anywhere in the universe." (Ray C. Stedman)*

“ Mervyn and family - I offer my condolences on the passing of your son, Alexander. I am a father of two sons in their 20's, and struggle to imagine the pain and grief this sudden loss of your dear son has placed upon you and your family. “ May you find comfort and peace from family and friends for your loss.  
God has resurrected humans in the past. The Bible reports 8 instances of humans \_  
Young, old, male, females -who were brought back to life on earth.  
Some had been  
dead for a short while, but one had been in a tomb for 4 days. John 11:39-44.  
God is the Creator of life not death, .1Cor. 15:26 says "As the last enemy death, is to be brought to nothing ".

“ My sincerest condolences to the family of Alexander Moodie. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalm 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."

May your reflection on this promise and your many fond memories of Alexander give you the strength you need to endure this difficult time.
