“ *That voice and that laugh will never be forgotten. You made an impact on all of us in ways you can't begin to imagine. This is like an awful dream, but there's some comfort in knowing that you're at peace. Rest my sweet cousin.*

“ *We didn't know that morning that God was going to call your name, I life we loved you dearly; in death we do the same. It broke our hearts to lose you, and you didn't go alone. For part of us went with you, the day God called you home. You left us peaceful memories, your love still our guide. And though we can't see you, you are always at our side. Our family chain is broken, and nothing seems the same. But as God calls us one by one, the chain will link again. I love you Alexandra your Auntie Linda J.*
