I am and so moved at this time, to see so many, so young with so much potential to leave in a memory. I lieu of flowers to the departed, I would like to offer a no-cost insurance policy for those whom care to receive it. 201-702-1418 bless you*

“ Words seem inadequate to express the sorrow felt by the loss of Fanny. I have not seen Fanny since she and her family moved to Georgia, I will never forget how loving and caring she was to me and family. She will forever be in my heart forever. Rest well My friend 🥺

“ From The Grant & Whitehead Family,

To my dearest Aunt Fanny, the memories of you will always hold more weight than the pain we are all experiencing seeing you transition. Knowing you since I was younger you always spoke of strength, truth, but most importantly Love. Your memory and spirit remains Aunty.

Love,

Your nephew Greg

“ *As you all lay your mother to rest it will seal the finality that she is no longer with us on earth. I pray even more that it seals how blessed you guys were to have her and for her to have had you all. Your mother has cared for, uplifted, and served so many of us and I'm sure many more only God would know of. I will never forget her laugh, her smile, her boldness, her care, her solidarity (she had people's back), her honesty, her overall kindness. I have no doubt she is dancing with the Lord and cheering us all on from above. May her life and legacy inspire us all to live intentionally, with faith, and most of all with love for those around us.*

I love you Keisha, Aaron, and your entire family! You are my family, so I mourn not beside you due to Covid but in spirit and truth! Thank you for sharing your mom with so many of us.

God is watching over your hearts today and everyday!

Love,

Shari Green and family

“ As I sit here and think about my one and only Fanny knowing she will be laid to rest and knowing I can't be there in flesh but my heart and soul is there. My Sister was my second mom and the core of our family. She would do everything in her power to help you. She was nurturing, caring, giving, loving and truly one of a kind. When I was just four years old I remember her being our guardian. She reminded me so much of my mother and grandmother. I will miss our many conversations from our late night chats, talking first thing in the morning, or midday check ins. Fanny would always say “I'm just making my rounds, let me go Jimmy is calling or Paul, Keisha, Aaron, or Eyan. Keep your head up”. My Dear Sister I will miss you and I will always love you. You will always be on mind and in my heart for the rest of my life until we meet again

“ To the Family of Aunt Fannie,

God shared with you this gift of life and we thank you for sharing her with us. She was such a kind, strong and family-oriented woman. She loved her family. I appreciated the way she took care of her mother when she fell ill and now they can be together for eternity. The pain will subside one day but know that the Creator is the best planner. Comfort is right around the corner. Matthew 5:4 states: Blessed are those who mourn, for they will be comforted. Bless you all and may the love of God fill your hearts in memory of Aunt Fannie.

With Love,
