“ *Wow! I cannot remember not knowing Chico! He went to high school with my older brother Kenneth Kelly. They were best friends during that time. I viewed Chico as another big brother! After we moved to Sacramento, Chico came up to visit a couple of times. We lost contact for over 20 years and thanks to FaceBook, we were back in touch with each other. We both were so excited.*

Needless to say I was very saddent to hear of his passing. My condolences to the family! May the comfort of the Holy Spirit surround you during this time.

Chico, our paths crossed each other while in high school @ Manual Arts; WE graduated with the Dadisi S'71 class. You played football & I cheered U & the team on as a member of the Drill Team...WE had a wonderful & memorable high school experience. I'm a BELIEVER of Truth & Eternity...and, as such I know absence from the body IS presence with The Lord (4those who Believe)!!!
