“ *Tribute to Alfred Pride, Jr.*

The Cherry Ridge Community is saddened by the death of our Neighbor, Mr. Alfred Pride Jr. He and Cheryl have lived in Cherry Ridge for almost thirty years, and their work and influence in the Community have been of great value for all of us. They served together for many years on the Architectural Control Committee, and those who served with them have many warm memories of attending meetings in their home and being served many special treats while working to make our community a desirable place to live.

As Chair of the Architectural Control Committee Al and Cheryl took the time to carefully plan the meetings and organize the procedures that were required to accomplish the tasks assigned to the Committee. It was a difficult and time-consuming job. The Cherry Ridge Community honors Al for his efforts to keep our community strong.

Cheryl, we are grieving with you and the rest of the Pride Family; we will miss Al very much.
