“ Alice was such a sweet and soft spoken woman.
I recall the times I would invite her and her husband over for dinner
with my parents.
My parents were new to Georgia moving from NY, they all remained
good friends.
After my parents passed Myself and Alice always remained in close
contact, texting each other monthly.
She was my support system and in some ways I hope I was her's.
I loved her Dearly and will miss her.
See you in Paradise 🧡
