Renai,

I am so sorry to hear of Alicia's passing.

She was truly a wonderful person.

A strong, guiding light for us here at McLean Hospital.

She taught me so much of what I know and I will always be grateful to her for that.

“ *My biggest memories I hold dear to my heart. What I will write, I will miss our random conversations on Marco Poplo (neither of us new how to operate). You always called to check in and i'd do the same. I love you beyond measure and my family as well. Until we meet again. God Bless.*
