“ My deepest sympathies to Angie and the rest of Lysa’s family and friends. I had the opportunity to work with Lysa as a consultant through Kellen. I had the blessing of being able to call her my friend. She was truly an amazing person and always a joy to be around. She could make me laugh and smile even at my darkest times. She truly was an angel on this earth. ❤️

Many prayers for comfort and peace only our Lord and Savior can provide.
