“ *Albert and Rose Mary,
It is with a heavy heart that I send this message. Dino's service was completed before I got the details or I would surely have attended. Dino came into my life at Murphey Candler Park when he played on an interleague team which I coached. He was also on the Chamblee High Football team which I followed closely. Allen was the type of young man everyone enjoyed being around. He was a good worker and had a great sense of humor. His posts on Facebook were very enjoyable. It is so difficult for me to imagine how you must feel. Losing an offspring is the worst thing that I can think of. Knowing that he knew The Lord will help in the grieving process.
Please accept my sincere condolences and be comforted by the fact that Dino is in a Better Place. Just remember Jesus's Words in Matthew 5:4 "Blessed are those who mourn, For they shall be comforted."*

Hello Mr. and Mrs. Burt, Sincerest condolences on the loss of your son. I knew Allen (AKA: DINO) from the teen niteclub, KICKS, back in the late 80's. He was great to be around. ALWAYS a smile on his face and if you didn't, he'd make sure you did!. The group we were in were tight at the time, just coming in to "real" adulthood. I know with all of my heart that knowing Allen made me a better person. I regret that we didn't stay in contact though the years.

Due to miscommunication, I could not locate the funeral home.

I am so sorry for not being present.

Allen will live on in the hearts of so many people.

GOD BLESS YOU AND YOUR FAMILY.
