“ Thinking and missing my baby brother today and every single day. Every time he would see me the expression on his face is like he's seeing me for the first time he' has this surprise look and it makes me feel so special. I love you baby brother always and forever. Until we see each again. Candy

“ *My baby brother. I will miss you dearly. Such a beautiful soul, very protective of your family. Such a Loving father, brother, son and uncle. My heart is broken. Although I never thought I would see this day, I shall say I never thought I would see this day so early in life. I will continue to have such beautiful memories of you. May you be at peace with Our Lord and Savior.*

*Your one and only sister. Candy*
