“ Hello to the Woods Family. I just learned the heartbreaking news that Alonzo passed away two years ago, and I'm deeply saddened. I'd like you all to know how much of a gentleman and kind soul he was to me. I'll never forget the day I was far from home in Atlanta for a flight attendant interview. He showed up just to sit with me while I waited for hours, offering his time and support. Later, he returned, checked on me to ensure I was okay, and even made sure I got home safely. That thoughtfulness and care meant so much to me, and it's a memory I'll always hold dear. He crossed my mind today, and when I visited his instagram page, I discovered this loss. My heart aches, but I want everyone to know what a truly sweet and amazing person he was to those he barely knew. His kindness and gentle spirit will never be forgotten. Rest in peace, my friend. You'll always be remembered. Love, J

“ Mr Woods and Mrs. Woods, & T, this is Daven.. Chaz was a great friend growing up, all I know when I think back on my childhood days! You should know that you all were raising a nice gentlemen early on and I'm glad I got a chance to experience his energy!! Even when I got in trouble lol he was still right there “what you going to tell your parents..” Hey it's nothing but good memories with Chaz, thanks for allowing me into your home as well, even if it was at 9am in the morning!! I'm hurt about this for real but the good memories for me will always outweigh my pain and to know that he is watching over us and that he is at peace allows me to take it just a little easier.. Thank you for sharing Chaz, Zo!!
