“ I had the pleasure of working with Mr. Johnson for close to a year on and off for physical therapy. We often had great conversations regarding baseball, his love of horses, and life in general. I also got to see him improve his walking and get stronger during my time with him. I will always remember him and cherish the time I got to spend with him. RIP my friend.

“ I had the immense pleasure of taking care of Mr. Johnson’s manicure and pedicure needs, it never cease to amaze me how well kept them polished he always looked. I would come to take care of his manicure. He would say, “ my nails are just fine. I don’t need this.” However once I was done, he would look down at his groomed nails and smile and say, “ I like this thank you so much! “

He will definitely be missed. May you rest in our Lord’s heavenly arms, Mr. Johnson... you were truly special!

“ I had the pleasure of meeting Mr. Johnson 10 or so years ago! The very first time we met, his first impression was the best! He always looked his best, a benchmark that he lived by his entire life, I'm sure. I would have wanted this man as a father in my life anytime. He was smart, gentle in his way and one of the kindest men I have ever known. He loved his daughters unconditionally and I know today that he is dancing with his bride once again. My sincere condolences to the entire family!
God Bless and to Mr. Johnson, I say be well, always in my heart!
Blessed to know him, Glen

“ Al has been in our lives for as long as I can remember. Bobby met him when they moved to Union Springs and they hit it off with those horses. They really enjoyed each other. So glad we were able to visit him on several occasions. Sincerest sympathy to the Family.

“ When I think of Al, it is on the dance floor. He was a good dancer at BAS community events in years past. Gail Colcord

“ *What a shocking news to heard that Mr. Alvin had passed. I was his barber for maybe almost 10 years or more. Mr. Alvin was very nice person, also a quiet person. Most of the time he fell to sleep during the haircuts. I'm a talkative person, trying to talk to keep him awake, so his head won't be looking down. All will be just the memories. I will miss him dearly ! To Ms. Audrey & the sisters, I'm thinking of y'all and so sorry for your loss. Please stay in contact, don't be strangers. Love y'all !*

“ *Cousin Alvin has been one of the best men I know. A caring husband and father who I never heard say a harsh word about anyone. Over the years Alvin was a friend to my mother and she enjoyed having him over for Sunday dinners. Alvin will be missed but not forgotten.*
