“ *Sorry for your loss Shephard Family...my husband (Dummey) grew up around Deda but my family grew fund of him years ago when my children were in elementary school...He asked my daughter was her last name Wood and she came home and said, this man that work @ the school asked me was my last name Wood, we couldn't figure out who she was talking about. One weekend we're in Ellenwood and Deda came up to us and said, I saw one of your children @ the school, we immediately burst out laughing...These past 6 years we've seen him a lot @ our house laughing and talking to Dummey...He will be truly truly missed...He was a very lovable guy, and he loved loved his family 🙏*

“ Many times in life we meet people and immediately sense one of two things. Kinship or not good to be around. I found “DeeDee” very good to be around, and that’s what made him special to me and so many others. I’ll miss our talks and laughter and joking around. But one thing I know for sure. I believe he had a good relationship with God and now the Father has His Son up close and personal. I’ll miss your earthly presence brother but your spirit will remain forever in my heart. Family we stand with you in mourning this beautiful brother. Rest in great peace.
