“ Dra was like my brother, and we talked often. I just sent him a text asking what his Thanksgiving plans were so we could spend the holiday together, and I didn't get a reply, which prompted me to call over and over again. Once I couldn't get through via phone, I randomly looked Dra up online to see if something more could be found to reach out to him. It's heartbreaking to see that my Big Brother, my Keeper, My Drizzy, is now gone home to be with the Lord, but God didn't want Dra suffering anymore after losing Mrs. Cindy, who I also loved and adored. My heart and condolences go out to the Jackson family. Dra... I'm so sorry I didn't make it to visit you when you asked. Please forgive me and know that you are loved and missed beyond measure. I love you. Sleep peacefully King.

“ Hi I am a military friend of Andra Jackson. I just found out today about his passing. I have been trying to call him for several weeks now. The last time I talked to him he was not very happy at that moment. I was trying to cheer him up and I'm hopes of helping him feel better. He also has a GodDaughter named Tia. No one called me or told me he passed away. I am feeling so overwhelmed and sad. I miss my battle buddy and close friend a lot. I let him and Cindy be my daughter God parents. I Love them both and miss them so much. My heart is so heavy right now. I was told by a complete stranger that my friend was gone. 😞. I hope that he is with her now and that he can now rest in peace. Will miss u always.!
