“ *Brenda, my prayers are with you and all of your family.*

*I remember so many joyous stories about Andre you shared. The surprise trip where he told you what to pack, but not where you were going was one of my favorites. Hearing about your love gave me hope. Those stories also revealed what a great husband, father, grandfather, friend and overall man he was through your eyes. And, I know your eyes saw clearly, by the way you smiled when you spoke of him after all those years.*

*Sending my deepest condolences.*
