“ As a fellow Marine, Andre was more than a friend, he was a BROTHER. I'll miss him dearly. Being the manager for Field Services, he would call: day time, night time and weekends. Aside from shop talk, we would also spend time talking about family. It was easy to see that he was devoted to his family. I pray for you and wish that God watches over you all during these trying times. Semper Fi and rest easy my brother, another Marine to watch over the gates of heaven. Sincerely, Dave Flores

“ Sending comforting love to Andre’s family. I worked with Andre for 10 years and was always delighted to have time to spend talking with him. He was so cheerful! He was so knowledgeable and helpful, also. If everyone was more like Andre, this would most certainly be a much better world. Andre was a leader among us even if unofficial. We felt free to go to him when we needed information, advice, or a quick solution. He was always busy, but always had time for us. When we found out that he had such a serious health condition, we could not believe it at all. Please know that we are very sad and we send our love and support to you all. / Mary Ann / "Help Desk"

“ Andre was an awesome coworker and a great human being. He was hilarious with his deep sense of humor and intellectually kept you on your toes too. He loved his family dearly and doted on them. Even after I left Emory 6 years ago, we kept in touch and mutually encouraged each other with our health challenges. He will be missed dearly...Semper Fi Marine and Rest Well...vernon
