

## Andre Roosevelt Green

May 17, 1976 - November 5, 2022

### Obituary: Andre Roosevelt Green

Andre R. Green was born on May 17, 1976, in Creve Coeur, Missouri and lived to the age of 46. He was the father of three wonderful girls whom he loved dearly (Rochelle, Alisha, and Angelica Green). Andre will be remembered for being a genuinely kind person with immeasurable talent and passion for life. He loved his family, relentlessly chartered personal and professional goals, valued exercise, healthy living, piloting airplanes, and the freedom to pursue his dreams.

Andre leaves to cherish his memory his loving wife and soulmate, Mrs. Claudia Green, his adoring and unwaveringly supportive parents, Dr. Roosevelt and Mrs. Matlyn Green, his younger brother, Dr. David Green, and family. Close family and friends who knew Andre well will reflect that he carved his own path through life. He unabashedly lived life his way and pursued and reached goals of his choosing. His loving wife, Claudia describes him as an Angel and the best human being she ever met. He was misunderstood and did not have an easy life; however, he was such a kind spirit whose heart was so pure and clean. His parents are so very proud of the wonderful man Andre became. He was his mother's hero with whom he shared all facets of his life through daily conversations. He manifested his mother's unbreakable will and his father's courage to pursue the unknown and discover life's treasures. He was adored by his daughters, revered by his

brother, and admired by family and friends.

Andre was a high school athlete (Football, Track and Field), a proud Marine Veteran (Honorably Discharged), a computer engineer and computer science teacher, an innovative and successful MBA, CEO, entrepreneur, and an airplane pilot since the age of 15. On November 5, 2022, the morning of his last airplane flight, Andre was described to be extraordinarily happy and stated that the day was going to be a great day! Andre's passing is beyond heartbreaking to his family...but he died a loved man who was happy, accomplished, fulfilled, and was doing what he absolutely loved...Flying.

Andre has always been loved deeply by his family and will be dearly missed. As a man of faith, we know his soul rests at peace in Heaven. In honor of the extraordinary life of Andre R. Green, carve your own path, live your life to the fullest, dream BIG and work tirelessly to turn your dreams in to reality. Don't be afraid to take chances, always believe in yourself, love your family, love your God, and live your life unapologetically your way.

“ I was with Andre at the end of his last flight and wish I would have known him under better circumstances. I imagine him flying above Earth enjoying a skill that he obviously loved. The next day, on Sunday, I flew my plane at sunset , looked west and thought about Andre as I took a photo. My condolences to his family and friends.

“ It has been our pleasure to work alongside and befriend David Green. He is an accomplished physician and terrific human. It sounds like Andre was just as incredible, and we were so saddened to hear of his accident. We will keep your family in our thoughts and prayers during this difficult time.
