“ Years later and I still think back on the memories we had at JCP. He stood up for me during rough times and helped me grow when I reached out to get more experience with the company. He was a great man, supervisor, and role model. And is very missed. Prayers for his family. I'm sorry for the late tribute.

“ *My cousin Andy, I can recall your calm demeanor and eagerness to learn as a child and that smile that lights up a room. Andy you will be missed. I know you're smiling from the heavens on us and will keep us covered. There are many memories I will cherish, one that will always stand out was the conversations you(age 7) and I will have when I would come home from college basketball practice and share our day, On many occasions those conversations help me get through a lot of tough days. Thanks Andy, until we meet again. Love you cousin.*

“ You will definitely be missed. Glad I got to know you. I remember when you interviewed my oldest. You told him he was a good candidate but you couldn't hire him. I was confused and didn't understand. Me and you and a talk, you were like he is very cocky. All I could do was laugh, cause I knew you were right. But you changed your mind and gave him a chance. He did good and was grateful. I will miss your smiles.

“ On behalf of the Judge Family, we were saddened to learn of your son's death. Please accept our deepest condolences. When I spoke to you Andrew Sr., you described an incredible relationship you had with Andrew Jr. You also mentioned that he had a great relationship with his friends and co-workers. I am sorry that I did not get to meet this great individual. He will indeed be missed by many people. May you and your family find comfort in God's words that he is your strength. His memories will give you peace.

*To the Family of Mr. Andrew Singleton Jr. I share in the sudden loss of your loved one. Andrew was one of my favorite supervisors because of his always happy, quiet and easy going demeanor. Before my retirement, it was my pleasure to have occasional conversations with him. They were either about sports, the Falcons, or Family, his favorite subject. Oh my! The way Andrew would light up talking about his Son and Mother. A true family man through and through. And he lead me to believe he was also a man of God. Family, please stay strong in the Lord for he will see you through this difficult time. Ms. Marie*
