“ *Our deepest condolences to Angel's family and friends. I only had the pleasure of meeting her a couple of times but she was always very nice, easy to talk to and funny. She was very helpful at my niece's graduation party, and it was a lot of fun getting to know Angel. She departed this Earth way too soon. My thoughts and prayers are with you.*

*Sincerely, Stephanie Waddell*

“ Angel, affectionately called just "A" to us was more than a Friend, and neighbor, she was Family.. She had an infectious laugh that would stand out in a crowd. She was one of the REALEST people I ever met and would give you the clothes off her back if you were in need. We love you A and your memory will forever be in our hearts. Love, Nijah, Taylor, and Mikyh
