“ To the family of my Coworker, Sister, & Friend.....

Praying and thinking of you with great sympathy. Right now, I know that no one can fill this empty place in your heart or take away the hurt. But the love you felt for one another is very strong and very special, and I hope you know that LOVE will NEVER go away.

As we all give thanks for the life of Angela here on earth. Let us recall the qualities in her that made us love her. We thank you Yahweh in the name if Yeshua for all the good influences Angela made upon all our lives. We thank you for the truth that passed from her life into the lives of others. Our lives are richer because of it.

May God bless you all with comfort.

MATHEW 5:4 "Blessed are they that mourn: for they shall be comforted."

“ *Angela, or “Charleigh Echo” as I knew her on a game we played together, was a kind soul who looked out for her teammates. She always asked how you were doing and when something wasn’t right or someone wasn’t being treated fairly, she sought justice and kindness at the same time. She was witty, funny, smart, and generous with her time. Heaven gained a wonderful person and I wished I met her in person. Rest, my dear friend. I will surely miss you. Lifting your family in prayers.*

“ I am so sorry to hear the news about Angela, Copenny as I called her. We started at GEMA together and we laughed many days. She was a character and she always had you smiling. I remember picking her up come in to work. She always fried me a turkey for Thanksgiving. Copenny you are going to truly be missed, what a beautiful person you were inside and out. God really took a good one this time . Sleep on Copenny you earned your rest. My prayers are with your family.

“ Lord knows I will cherish every moment we shared. When I hear your name I smile. We have so many funny moments the car tantrum, the let me down hat, Cheddar’s, turkey bacon, me always asking for the water packets. These things may sound crazy to most but we would always have a good old laugh. I’m glad our good out weighted the bad. I will forever cherish your friendship. I love you girl, some how I will send you all the moon grapes I can gather. ❤️

“ Thoughtful, kind, intelligent, smart, loyal, generous, and loyal are just a few words that describe the beautiful soul that Angela Copenny was. I have loved her as part of the GEMA/HS family for her entire tenure. My heart breaks at the news of her passing but I find comfort and peace in knowing that she is resting in the loving arms of Our Savior Jesus Christ. May the peace of God that passes all understanding guard the hearts and minds of her family and friends through Christ Jesus! Until we meet again...rest well Angela!

I am still in shock about this incredibly kind, gentle, warm-hearted, smart & funny soul. Angela was all these things, which made her oh so special. It was always a pleasure talking to Angela about various things; being silly sending text messages to each other as SWP Supervisors, her love for Boys to Men and especially our favorite show Game of Thrones! I will miss her warm spirit and will always remember her dedication to her family....I will never forget when she brought her Mom by to meet us at the SWP one day, I could feel Angela's love for her Mom immediately. My condolences to your family.

Angela, you will be deeply missed and now you are in the arms of Jesus.....resting well in peace.
