“ Auntie was a precious gift from God. She was a wonderful wife, mom and sister and grandma. She was the life of party. She were my uncle soul mate everything. Her memories will forever be in our hearts. We wanted her with us forever, but we understand it was her time. Her father called and she came running with open arms to meet him and reunited with her mom and family. She left without saying goodbye but she left her heart and spirit with us. She loved us with all her heart and held on as long as she could. I know we wish she had more time with us but God knows best. Rest In Peace until we see you again, we loved you dearly. I know hearts maybe torn, I'm glad the Lord still sits on the throne. In pain and misery, I realize that Jesus protected us from all the harm and comforted us. I know these last couple of months rough, suddenly she received her calling from up high. Now that she is safe in his arms she doesn't have to worry about anything or hurting. God told her to grab his hand she were no longer needed here on the battlefield your battle is over. No more suffering no more pain you are free. Keep smiling and looking over us. I know this comes at worst time but she is free of all the suffering. she is in a safe place my family and I will always be here for you. Love Tyson Family!!! Love you and thanks for being the wonderful person you were!!!
