“ Whenever I was at Berean Gwinnett during the week and Angela was there, she always had a kind word for me. Initially, I didn't know her name or who she was. However she knew me and called me by name, asking how I was doing The more often I saw her, the friendlier we became. She has been greatly missed throughout her illness. Now she rests in the bosom of our Lord and Savior. I pray that her family will find peace and comfort in our God as only He can provide you with comfort.

“ *Angela was a beautiful person inside and out. She was such a dedicated and hard working person. I am so glad that I had a chance to cross paths with her. Her cooking was the bomb. Monique I cannot even imagine what you are going through during this very difficult time. My prayer is for God to keep, and comfort you and the family and give you peace.*

Now may the Lord of peace himself give you his peace at all times and in every situation. The Lord be with you all.

“ Our hearts are heavy with the loss of our beloved, beautiful sister, friend and DITR volunteer Angela. She was an AMAZING woman with a heart of pure gold. Her kind spirit, loving heart and joyful presence would light up any room. Whether she was sharing wisdom or serving others, she always went over and above to make sure everyone else was taken care of. She touched the world during her short time here on earth and truly made a mark that will never be erased. We have no doubt God is smiling upon her saying "Well done".

We love you dearly Angela and miss you more than words can say. We promise to do our part to wrap our loving arms of support around your baby girl, Monique, and to walk with her along every step of this journey and beyond. We know you wouldn't have it any other way. Thank you for being such a tremendous blessing to so many.

Rest well until we meet again.
