December 25, 1965 - December 27, 2023

Angeleana Christine Kelly, 58, of Decatur, GA passed away on December 27, 2023, in San Juan Puerto Rico. Angeleana was born in Minneapolis Minnesota to her loving parents the late Albert Kelly Jr. and Sandra Vaughn - Kelly.

She then went on to Clark Atlanta University to begin the pursuit of her Masters Degree, and finished at Jackson State University in 2022.

Angeleana's love for aviation fueled her curiosity of all the world has to offer, and it was her mission to explore every inch of it. Outside of her love of travel, she enjoyed reading, finding new hobbies, spending time with her friends and family, and being the world's best Honey!

Angeleana leaves behind her daughter Taylor English; her granddaughter Carleigh Christine English; two sisters Alexandra York, and Nina Lacy; her mother Sandra Vaughn - Kelly; and a host of nieces, nephews, god children, cousins, other relatives, coworkers, and friends. “ I have been thinking of my friend for over a year. We met in 2017. We do not have any friends in common. I have called her phone. I have email her. I went online as we are both adjusters and I see this. Taylor we have never met but if you need anything my name is Denise Roberts. Your mother and I used to have dinner almost once a month before the pandemic and maintained a friendship. I am devastated to hear this news. My number is 404-416-8915. I loved her. She was a great person.

“ You will be missed my friend. We wore purple to your funeral yesterday and instead of bringing you flowers, I brought a shot glass and shot to take with you onto your next adventure. Hold it down till I get there and keep the limitless margarita's flowing. Cheers...

“ I only had the opportunity to meet Angeleana once as I had just started working with her. But what I will carry with me was an amazing smile that lit up the room. I now know in learning more about her that there was a truly amazing person and big heart to match the big smile. My sincere condolences to her friends and family.

“ *Angeleena has been a part of my life since I was a little kid. Through the years she became part of my family. She was there at the hospital when I had both of my kids and has been a big part of all our lives ever since. We were all lucky enough to spend a lot of great times with Angeleena. We were fortunate and lucky enough to spend last Christmas Day with her when she was dancing in my kitchen. She was a person full of so much love and joy. Always positive, encouraging, loving and giving beyond what most people are capable of. She had the heart to extend all of herself to so many friends and family. My family and I are devastated and heartbroken that she is no longer with us. We still have our memories but she is irreplaceable.*

“ *Angeleana & I worked together at the Star & Tribune in Mpls. We trailed each other when we both moved to GA in 1989. We eventually became roommates and shared some pretty awesome memories that I will forever cherish. Angeleana did not meet a stranger. She had a wonderful personality & the most infectious smile. I thank the good Lord for my friendship with Angeleana. I know she is in heaven making all of the other Angels smile & laugh*

*Until we meet again my friend*

“ I met Angeleana at Clark Atlanta in 1992 We were both in the MBA program and our friendship has been special ever since. She was in my wedding and whenever I have needed someone to share kind words or set me straight gently. She did it! My heart goes to the family. She was an angel and I will miss her. But knowing her. She is somewhere spreading joy and laughter and she will forever be a part of me

Thank you angeleana. You made me a better person and I only hope I grow to be half as wonderful as you. Take flight my dearest friend

“ *....January 1995 brought us together....and from that point on, we were more like family than friends! You brought me into your Minnesota circle...and that made all of the difference for me and my family! We both liked to fly....that's how we were at Northwest.....now, you're on the ultimate flight....with angels as the flight attendants.....and the Master as the pilot! Remembering all of the times....may the angels welcome you to heaven with love and kindness.....say "Hi" to Granny, Rickey, and Al for all of us!! You're at peace now!!*
