“ To the Family, Children and Husband of Angie, we will miss her warm smile as she opens her kitchen door to her home, and will miss her sitting on the stool at her kitchen counter or her voicing her opinion about the latest news. When I think of Angie I smile because she was always smiling and always giving. The family of Billie J Flynn, Rashida Flynn Bey and Aliaila Bey, unfortunately couldn't be with you all at the homecoming but we send our condolence. God Bless!

There are so many memories in my heart and mind of the Angie I grew up with and the Angie she became. She lived her life always fearlessly ready to take on the next adventure. We will miss you here on earth as you take on this final adventure home. If I listen with my heart, I can still hear that amazing, wondrous laugh of yours and that will keep you close until we meet again. Rest in peace.

Curtis and Misty, I will keep you and your family in my heart and prayers. I pray that your memories bring you peace during this time of grief and that you can hear her laugh when you need comfort. I know she would want you to laugh when you think of her and I pray that your memories bring you a smile now and in time, they make you laugh because I know she'll be laughing with you. God Bless and guide you through the difficult times.
