“ Dear Griffey Family: Please accept my sincere condolences for your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. May you have peace as you think about this beautiful hope for the future.

“ I will always remember you, Anita Griffey we meet when Adam was born in 1986. My daughter and your daughter Juanita went to Barton classes. Over the years we kept in touch, I remember Juanita and myself worked at the same company for a while. I love you and will miss you. You are home now in Heaven with our Heavenly Father.

“ We would like to share our condolences with the family. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Caring thoughts for you all.
