“ I had the distinct honor of working with Ms. Pratter when she taught at Fairington Elementary School. As her principal I found her to be dedicated and she always put the needs of her students first. Anita gladly helped other staff members and was well respected by the students, staff, parents and community. I enjoyed her sense of humor and I could always count on her no matter what. She will be greatly missed. My thoughts and prayers are with her family. May God comfort you and keep you during this time. Sincerely, Ms. Joanne DoutÃ©-Cooper Fairington Principal, Retired
