“ I was your caregiver Anita.  
Sad to know that I've seen u here in Obituary but good thing at least I found u here.  
I just don't know, why after so many years... it was then 2008 that I worked with u as one of your caregivers.

How I wish u can say something, but seeing u many times in my dreams that u were sad and I could looked at your eyes that u wanted to say something.

Crazy not, but truly after a long time u showed u in my dreams.

All I could say is, u were really really nice to me.  
How I wish God the Father will let me know why I saw u in my dreams after I left u on 2008 and I started dreaming of u and sometimes with your younger brother Vic who also passed away.  
and As if u want to say something.

Anyway, God the Father will protect your soul for me.  
I wil always pray for your soul, Anita.

Thank u for being a part of my life when I was struggling in life as a single mom.

“ It is my prayer that God will give you peace and comfort during this time of bereavement and always.  
Philippians 4:7. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Jesus Christ.
